adityarajthakur1112@gmail.com • +91-9608535083 • <https://www.linkedin.com/in/aditya-raj-5a8478201/>

EXPERIENCE

*Aditya Degree and PG College, **Coding trainer - Computer Science***

Jun 2025 - Present

- Delivered Training in Data Structures Algorithms, Python, OOP, and Problem Solving to 100+ undergraduate students, enhancing coding proficiency and analytical skills
- Mentored students for technical interviews, coding assessments, and campus placements, focusing on time complexity, recursion, STL, and interview-oriented DSA.
- Designed structured, assignment-driven curriculum and conducted hands-on coding labs aligned with industry and recruitment standards.
- Organized coding contests, mock interviews, and technical workshops to strengthen placement readiness and competitive programming culture.

*Technical Hub, **AWS Cloud Intern***

Jun 2024 - Aug 2024

- Gained Comprehensive hands-on experience with AWS core services including EC2, S3, IAM, VPC, Lambda, and RDS for cloud infrastructure management and deployment
- Configured and deployed virtual servers and cloud storage solutions for development and testing environments following industry best practices
- Implemented security groups, network configurations, and IAM access control policies Adhering to AWS security best practices and compliance standards
- Leveraged GitHub, Jenkins, Ansible, and Docker to streamline continuous integration and automated deployment processes, improving development efficiency and delivery speed.

EDUCATION

Aditya College of Engineering and Technology

*Bachelor of Technology • **Computer Science Engineering - Internet of Things***

CGPA: 7.3/10

LICENSES & CERTIFICATIONS

AWS Certified Cloud Practitioner

Amazon Web Services Training and Certification • Issued Mar 2024

IT Specialist Python

Certiport IT Specialist Certification Program • Issued Jul 2024

Microsoft Certified: Azure Fundamentals

Microsoft Azure Certification Program •

SKILLS

C • C++ • Python • Java • JavaScript • HTML5 • CSS3 • SQL • MySQL • Amazon Web Services (EC2, VPC, S3, Lambda, IAM, RDS, Load Balancer, Auto Scaling, NAT Gateway)

HONORS & AWARDS

5-star ratings in Python, C, and C++

demonstrating strong programming proficiency and problem-solving capabilities

Solved 100+ algorithmic and data structure problems

on LeetCode competitive programming platform

Solved 500+ algorithmic problems

on GeeksforGeeks platform showcasing consistent dedication

Achieved maximum rating of 1545

on CodeChef competitive programming platform demonstrating expertise
